

Did You Know?

Loyola Academy is the largest Jesuit college preparatory high school in the United States, with approximately 2,000 students.

It is the mission of Loyola Academy to promote and maintain a diverse student body composed of young women and men from a wide range of cultural, ethnic, and socioeconomic backgrounds.

The Tuition Assistance Program is vital to that mission, making the Loyola Academy experience available to a more unique student population than ever before.

This year Loyola Academy will provide \$3.75 million in Tuition Assistance to over 30% of the student body.

100% of the RAMBLE Gala and Cash Raffle proceeds go to the Loyola Academy Tuition Assistance Program.

Tuition Assistance is awarded solely on the basis of financial need.

Loyola Academy students come from over 80 zip codes in the metropolitan Chicago area.
